ABOUT THE TRAINING SCHEME

The Sherford Consortium is working in Partnership with City College Plymouth and South Devon College to deliver CITB funded training at the Sherford Skills Training Centre.

The Centre provides the chance for people of all backgrounds to get involved in one of the country's most innovative new community developments, and create a lasting legacy.

Whatever your ability, you can gain invaluable site experience, learn new skills and/or refresh existing skills.

The employment opportunities for those considering a career in construction are enormous at Sherford:

- 5,500 new homes
- over 80,000m² employment and retail space
- four schools
- community facilities.

COURSES

CONSTRUCTION SKILLS CERTIFICATE

Multi-trade/bricklaying/carpentry/plastering/plumbing/roofing/painting & decorating.

4 week course

This qualification will enable you to 'have a go' at a range of construction crafts, gain a variety of hand-skills and see if you have what it takes to start a career in a construction trade. This course is open to anyone interested in working in the construction industry.

HEALTH AND SAFETY BEHAVIOURAL TRAINING (ROUTE TO CSCS)

3 day course

This course will enable you to sit the Construction Skills Certification Scheme (CSCS) test to claim the basic CSCS card which will enable you to work on a building site.

BESPOKE CONSTRUCTION COURSE

2 week course

Having identified skills shortages within construction, we are now offering new entrants more bespoke courses at Sherford as the demand has been so high. The course offer will be finalised nearer the time of commencement but will focus on improving knowledge and skills including;

- English Bond Bricklaying
- Traditional Roofing Styles
- Sash Windows
- Dry Lining
- Sealant Operatives.

60% of new entrants for our courses are expected to be ex-military.

OSAT NVQ LEVEL 2

Bricklaying/carpentry/plastering/plumbing/roofing (This trade list is not exhaustive).

22 week course

The On-site Assessment and Training Route (OSAT) provides a quick and simple means of checking whether someone has the skills and capabilities to work in the trade. Gain an NVQ Level 2 and claim a trade specific Skilled Worker CSCS card.

OSAT NVQ LEVEL 3

22 week course

By far the most advanced qualification, delivered in the same way as the OSAT NVQ Level 2, the level 3 course is aimed at those with extensive skills. This qualification can be a requirement for many reputable builders, but also for construction management, teaching and training roles. Gain an NVQ Level 3 and claim a trade specific GOLD CSCS card.
