Boost skills and increase productivity

Skills Support for the Workforce can help your business reach its potential through free qualifications and training for adults in York, North Yorkshire & East Riding.

By developing and implementing bespoke, fully-funded training plans this programme will meet all of your current and long-term skills needs, allowing your business to thrive by maximising productivity.

If you're a medium, small or micro-sized business based in the region, you will receive access to a broad range of training and qualifications, fully funded by the European Social Fund.

Operating in the following sectors identified by the York, North Yorkshire and East Riding Enterprise Partnership as priorities:

- Bioeconomy
- Food Manufacturing
- Construction
- Engineering
- Voluntary, Community & Social Enterprise
- Visitor Economy
- Health & Social Care
